### Residential Rental Property Fee To Start

**Phoenix** --- Effective February 1, 2009, there will be a \$10.00 fee for all newly registered rental property and for any changes to the registry for existing registrations. Taxpayers will be able to pay the fee at any of the Maricopa County Assessor Office's.

The Maricopa County Board of Supervisors voted, in early 2008, to adopt A.R.S 33-1902(I) as policy. This allows the Maricopa County Assessor's office to collect a registration fee for residential property that is registered with the County as rental property.

Property owners who wish to submit the Registration of Arizona Residential Property form using the Assessor website may do so with the following link:
